Please find below a communication from the EXAMINER in charge of this application.

Commissioner of Patents.

A ~~SHORTENED~~ STATUTORY PERIOD FOR RESPONSE TO THIS ACTION IS SET
TO EXPIRE 30 MONTHS, DAYS FROM THE DATE OF THIS LETTER.

Applicant's reply received March 12, 1990 is not deemed to be fully responsive to the prior Office action because applicant has failed to respond completely and properly to the restriction requirement which included a requirement for an election of species if Group I was elected (page 2 of paper number 4). Applicants have failed to elect a single disclosed species amongst the species set forth in the restriction requirement. To avoid abandonment of the instant application, reinstatement of the original claims is required, followed by an election of species as requested in the first office action. Cancellation of the claims of Group I is considered to be nonresponsive.

The date on which the corrected response, the petition under 37 CFR 1.136(a), and petition fee are filed will be the date of the response and also the date for determining the period of extension and the corresponding amount of the fee. In no case may an applicant respond later than the six month statutory period or obtain an extension for more than four months beyond the date of response set in an Office action.

Any inquiry concerning this communication should be directed to Examiner Michelle Marks, Ph.D. at telephone number 703-557-0909.
